A.S. 167 of 1895-96

The appellants above named most respectfully beg to
appeal from the decision of the Deputy Commissioner
of Mysore in regular Revenue appeal no. of 896 for the
following reasons.

1. The Deputy Commissioner having declined the appellants
to use a Shaven in the Shanabloggy office Hadimaru ought to have
granted the appellants' prayer either to work with present
Baramandan jointly or to order a suitable decision of the
Shanabloggy Charge.

2. The Deputy Commissioner has erred in supposing that
the appellants' prayer was ^{for} the exclusive possession of the
Shanabloggy from the respondents.

3. The evidence on record clearly proves that in former times
the Shanabloggy had been worked after both by the ancestors of
the appellants and the respondents.

4. The village being unsurveyed and the boundaries being more
than (2,000) feet distant owing to the extension of the Ramdurga
Channel and the proposed Survey Settlement, the
Shanabloggy office in question is exactly the one
which might conveniently be divided.

5. From the conduct of the respondents namely at first the

the denial of plaintiff's relationship, and then
the shifting of the blame that the office of Shroff
was denied from the father in con. of the respondents'
grandfather, it is plain that the respondents' intention
all sort of restrictions in the way of the appellants
enjoying his just rights of which he has been
deprived till now by the fact of his minority at the
time of his father's death. - O. B. S. Co. 1904
